Leadership Camp

On September 12th the grade 5 and 6 students went to leadership camp. Everyone had a lot of fun and played a lot of games. Dante and Joshua from grade 5 stated, "We really enjoyed the Teacher Hunt because it was fun, trying to find each teacher's hiding spot." Another game that was played was The

Amazing Race. The students had to wrap up a student with toilet paper and no body part could show except a nose to breath. Also, they had to complete an activity called The Ragging River, where students had to form a line and walk across a "river" (a.k.a grass) using wooden blocks. The grade 6 students enjoyed activities such as Whale Watching, where they had to balance a large wooden structure as a team. They also participated in The Amazing Race, completing challenges one after another. Everyone enjoyed it and had a great time!

Kuper Kodiaks: Girl's Division I

This month, we interviewed Kendall Horn and Anna Zachary from the Division 1 girl's soccer team. There are 16 girls on the team. Kendall and Anna said that being a captain is special and fun.

The important things that they

have to do are bringing the balls to the field, filling the water bottles and setting up for the activity that they are doing next. They encourage the players to be confident, to try their hardest and not to worry whether you win or

lose because you have still tried your best.

GO KODIAKS!

Teacher of the Month: Mme Tamara

Here are some interesting facts about Mme Tamara.

Her favourite colour is pink, and her favorite animal is a lion. She loves pina colada, loves singing, and dancing. Her favourite movie is "Welcome To America", and she loves Eddy Murphy because he is hilarious.

Her favourite subject is math.

Mme Tamara was happy to share a story with us; the first story is when she was on the summer break, she was with her friend and they went everywhere to find ingredients for a recipe. Finally, they reached home and put the ingredients in the blender, but

it exploded. After that there were two sad ladies and no pina colada.
